Option to Assign and Send your Eligible Program Savings to your Healthcare Provider

Under the Program rules, Program savings are mailed to you. If, as a convenience, you would prefer to assign Program savings directly to the physician listed on the other side of this form, for application against the costs you would have paid to the physician for your/the patient's XEOMIN treatment, then please sign and date below. The Program will then send the savings to the physician directly on your behalf. Please note that assignment is voluntary; no assignment is required for participation in the Program. Also, if you decide you want to stop assignment of future Program savings to the physician, then you can submit a new enrollment form so that Program savings are mailed to you.
I hereby authorize and direct the XEOMIN Patient Savings Program, sponsored by Merz, to issue payment directly to the physician listed on the other side of this form to be used for my/the patient's eligible XEOMIN-related expenses. **SIGNATURE OPTIONAL below: (to Assign Eligible Program Savings to Healthcare Provider).**
